

REMARKS

Responsive to the Official Action dated 02/10/2004, Applicants are amending this specification in accordance with 37 CFR §§ 1.821-1.825.

Applicant is supplying two amendments to the sequence listing originally added in the amendment filed on December 10, 2003. The first amendment is in the current amendment style and the second provides a clean copy which is the same as provide on the enclosed computer readable disk.

The sequence listing set forth on current specification page 19, after line 17, and on new specification page 20 contains no new matter which goes beyond the disclosure set forth in the application as originally filed.

The undersigned attorney of record for the applicant hereby declares (1) that the content of the CRF of the sequence listing and the paper copy are the same and includes no new matter that goes beyond the disclosure set forth in the specification as originally filed and (2) that the undersigned is registered to practice before the U.S. Patent and Trademark Office.

If the undersigned attorney can be of any assistance in advancing prosecution, don't hesitate to call him.

Respectfully submitted,

Thomas D. Hoffman
